COUNCIL AGENDA: July 17, 2006

TO: City Council

VIA: Dennis R. Halloway, City Manager 

FROM: T. Jarb Thaipejr, Public Works Director/City Engineer 

SUBJECT: Award Contract for Annual Citywide Traffic Striping and Pavement Marking Maintenance Service. (CIP 06-132)

RECOMMENDATION

It is recommended that the City Council award the contract for citywide traffic striping and pavement marking services to California Traffic Maintenance, Inc. of Burbank for an amount not to exceed \$37,355.00. Inspection for this item will be handled by city staff.

BACKGROUND

The roadways of the City need the traffic striping to be re-painted periodically. This is usually accomplished prior to the beginning of the school year. Often the major streets require this to be done twice a year.

ANALYSIS

Three bids were received and publicly opened on July 10, 2006. Bids ranged from a low of \$37,355.00 to a high of \$78,650.00 (see attached). The low bidder, California Traffic Maintenance, Inc., has been checked for references and license. They have performed satisfactorily for other agencies. As this is a maintenance contract the amount paid will be based on unit price for actual work done. Therefore, the request is for a "Not to Exceed" type contract.

FINANICIAL IMPACT

Funding for this project will be provided from Account 08-5340-8500, Pavement Striping, Citywide.
